

January 21, 1974

SENATOR DE CAMP: Mr. President, it would appear at this particular moment in time that the chances of the bill itself now moving very far in this world are ver limited. Therefore I would move for the advancement recognizing the difficulties of the future, I would merely point out that you have just rejected possibly the only chance that has been given to the people of the state of Nebraska in its one-hundred and some year history to vote or express whether they want to pay a voluntary tax that they were not forced to. We seem to go wild over making them pay taxes but we won't let them express if they want to pay some money.

CLERK: Motion on the Desk Mr. President.

SPEAKER: Clerk will read

CLERK: I move to indefinitely postpone LB288, signed, Senator Rasmussen.

SPEAKER: Senator Rasmussen.

SEANTOR RASMUSSEN: Mr. Speaker, members of the body, I think that this thing has been discussed about enough, lets vote yes or not, send it on or kill it.

SPEAKER: Is there any further discussion? If not, are you ready for the question? Question is shall the bill be indefinitely postponed? All those in favor vote aye, those opposed vote no. This requires a majority of those voting. Have you all voted? Clerk will record.

CLERK: 24 ayes, 14 nays and 11 not voting.

SPEAKER: Bill is indefinitely postponed. Senator Stahmer.

SENATOR STAHMER: Mr. Speaker, members of the body LB48 was scheduled for today and I have a motion there on the desk concerning it and I am very happy that everyone is in a killing mood today because I am asking that it be killed.

CLERK: Mr. President I move to indefinitely postpone LB48 signed Senator Stahmer.

SENATOR STAHMER: We all want to get out, I move the question.

SPEAKER: Is there any further discussion? All those in favor vote aye, those opposed vote no to kill the bill. Chair did not mean to cut off any valid discussion. If anyone thinks that I am being unfair I will open up the discussion. It was Senator Stahmer's bill and he is asking that it be killed. Clerk will record.

CLERK: 31 ayes, 5 nays Mr. President on a motion to kill.

SPEAKER: The bill is dead.

CLERK: Mr. President I ask unanimous consent to bracket 293 on General File for January 22, signed, Senator Simpson.

SPEAKER: Any objections? So ordered.

CLERK: Read unanimous consent regarding LB899,900,901 and 902.

SPEAKER: Any objections to that? Well lets let Senator Chambers explain why he wants to do it.
